

PARISH NEWS

Issue 43

Early Spring 2022

Eskdaleside-cum-Ugglebarnby Parish Council

A Word from our Vice Chairman Cllr L Jones: "I would like to thank and compliment all those volunteers in the parish whose actions make life so much better for so many of us. An outstanding example is Sleights Village Christmas Tree Group who are doing such a fantastic job, fundraising and organising the Sleights Christmas lights.

People volunteer to deliver meals and magazines to the elderly, drive them to social events and deliver their prescriptions. Others pick up litter and dog dirt or weed and look after areas owned by the parish, while the knitters and crocheters have brightened up our streets.

We have all benefitted from the work of the Anglo-American Skills for Work team of apprentices who have carried out so many repairs and jobs for us all.

Special mention is also due for the efforts of Councillor Dave Tate who gives up so much of his time when identifying and fixing all manner of things in the parish.

All these things make Eskdaleside-cum-Ugglebarnby a great place to live. Volunteers add so much value to our way of life in our parish."

New Councillor: At its October 2021 parish council meeting the parish council co-opted and welcomed Cllr Andy Harrison. This means the parish council is once again at its full complement of 12 councillors—the first time since the election in 2019!

Village Trail: With the leaflet and Information Board design completed, a leaflet is to be circulated in the spring to residents. The Information Board will be located near Sleights car park in the centre of the village and will be coming soon!

Do you need to talk to someone about your problems? Then there are a number of organisations you can contact by phone:
Childline 0800 1111
The Silver Line: 0800 4 70 80 90
Samaritans :116 123

Royal Mail Spam Texts: Royal Mail are encouraging residents to forward spam delivery texts to them—please forward the text to 7726

St John's Churchyard, Sleights: To alleviate the ongoing issue of dogs running free and fouling the churchyard, the church has brought in new requirements that dogs must be kept on a lead at all times. They have been liaising with Scarborough Borough Council to have additional waste bins erected outside the church premises on Iburndale Lane and Coach Road.

Dog Fouling: It is an offence to allow a dog to foul in an area open to the public, without the person who is in charge of the dog clearing up the mess immediately. Scarborough Borough Council (SBC) can issue formal Court Action. If anyone wishes to report dog fouling then visit SBC website: <https://www.scarborough.gov.uk/home/environment/dogs/dog-fouling>

Or phone 01723 232323

Young Person of the Year Award 2021: Included with this newsletter is a nomination form for the award that is now in its second year. If you know of any young person that is eligible then please do nominate—see the form for criteria. The parish

council presented the inaugural 2020 Award to Evie Hodgson. Evie has contributed to the potential well being of residents in the parish as well as the wider Whitby area, and in fact nationally, through her campaigns to raise awareness of stem cell illness and the stem cell register.

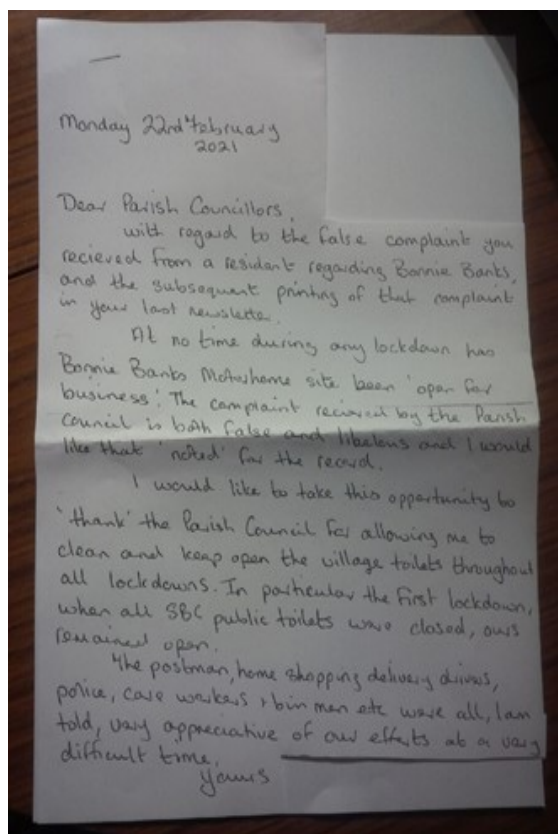

She is an inspiration to us all!

Ann Robson Trust Pre-Bereavement Helpline: The Anne Robson Trust have launched a new support helpline to help anyone who might be struggling with a terminal diagnosis or a loved one dying. They know that facing the end of Life can leave many people feeling isolated and alone. They have trained volunteers to listen and support you, please call for free on 0808 801 0688.

Traffic Speeding at The Cliff, Iburndale: Following reporting of concerns about speeding through Iburndale, the Speed Concerns group undertook an investigative survey and found that the average speed was 23 mph, and the 85th percentile speed was 27/28 mph. The Road Safety Task Group decided this would be a suitable location for a Community Speed Watch Group. If residents in the area wish to form a group, which would be similar to that at Briggswath, then please email NY Police and express your interest to:
Email: CommunitySpeedWatch@northyorkshire.police.uk

Linden Close Wildlife Area: Following several approaches by the parish council and intervention by Scarborough Borough Councillor representatives, Scarborough Council have agreed to undertake maintenance and rectification works to improve the Linden Close Wildlife Area. The works will include repairing /renewing the bridge and viewing platform, pruning vegetation, clearing fly tipping, clearing the beck culvert and creating a Jubilee Orchard. The review of the area is also expected to include an annual maintenance programme. This should revert the area to a fantastic community asset.

Revival North Yorkshire arrange numerous activities in support of older and vulnerable people in the Esk Valley to help them stay and live happily in their own homes. If you need help, or want to volunteer to help others, contact Tina on 07458 314565

Spring 2021:

In the Spring 2021 Newsletter the parish council reported various issues that it had dealt with over the prior months. This included that it had received a complaint regarding Bonnie Banks Motorhome Site. The owner of Bonnie Banks Motorhome site asked that the parish council allow it to clarify the situation by printing a response letter. See the letter to the left.
