

TRAFFIC AND TRANSPORT

- Continue to work with SBC, NYCC and the police to tackle speeding and parking issues
- Continue support for the programme to provide a temporary VAS sign installation on Coach Road, subject to NYCC policy
- Continue to liaise with NYCC on highway safety issues
- Work with NYCC to review any highway signage that the Parish Council feels is redundant in order to reduce unnecessary 'street furniture'
- Promote public and community transport via the newsletter, noticeboards and website

CHILDREN & YOUNG PEOPLE

- Whilst there are limited possibilities for the Parish Council to develop a Children's and Young People's Strategy, it will continue to encourage and support initiatives by other organisations
- Provide opportunities via the newsletter, noticeboard and website to promote youth activities within the parish and detail those outside its boundaries
- Continue to have an appointed Youth Advisor to advise the Parish Council on youth issues within the village
- Create a list of existing young persons groups/clubs within the Parish
- Celebrate young parishioners via an annual presentation for 'young person of the year'

ESKDALESIDE CUM UGGLEBARNBY

PARISH COUNCIL

2020– 2025

PARISH PLAN

The original Parish Plan was for the period 2008—2013; it was reviewed in 2015 and again recently, and we now are looking forward towards the next 5 years.

The responsibility for the monitoring of the Parish Plan lies with Eskdaleside cum Ugglebarnby Parish Council which will carry out ongoing monitoring throughout the life of the Plan. The Parish Council will periodically communicate progress to the residents of the Parish.

You can contact the Parish Council via the Parish Clerk:

Mobile: 07791889737

Email: esk.ugg@gmail.com

Postal address: c/o Davison Farm, Egton, Whitby, North Yorkshire, YO21 1UA

COMMUNICATION

- Promote who the councillors are and how to contact them
- Continue to inform residents about parish council activities and community organisations, events etc via the noticeboards, newsletter, and website
- Facilitate community involvement by giving opportunities to residents to raise issues at its monthly meetings during the public session prior to the parish council meetings and via the Annual Parish Meeting
- Enable faith groups to publicise services via the Parish Council website

HEALTH

- Raise awareness of available help agencies via articles in the newsletter, information on the website, and posters on noticeboards
- Promote local health service programmes and initiatives via the newsletter, noticeboard and website

OLDER RESIDENTS

- Draw attention to agencies supplying services for older people tackling problems of loneliness and isolation, and maintaining a healthy lifestyle via the newsletter, noticeboard and website

ENVIRONMENT, CONSERVATION AND WILDLIFE

- Continue to protect our local environment and make it accessible to walkers and nature lovers
- Create a second 'accessible' Parish Nature Trail
- Monitor established areas such as Linden Close Wildlife Area and the Wildlife Verge
- Continue to deter dog fouling and other environmental crime within the Parish by promoting awareness via the newsletter and providing information on reporting channels
- Work with SBC to facilitate keeping our Parish clean, tidy and well-maintained
- Promote local and national initiatives on recycling and dealing with household waste via the newsletter and website
- Promote government led renewable energy options to residents via the newsletter and website

COMMUNITY SAFETY

- Promote emerging national initiatives in relation to Country Watch Schemes via the newsletter and website, and where feasible work with local police to establish such a scheme within the Parish
- Continue to have regular monthly police reports at Parish Council meetings
- Promote the availability and contact details for the police, and provide information on personal safety
- Encourage residents to report environmental crime incidents by publicising websites and telephone hotline numbers and email addresses
- Provide regular articles on light pollution and bonfires to raise awareness
